6 1 7601 17514 Name: Windows R 7, Ultimate edition Windows Updates Activation: Windows 7 build 7601 not.. The salesperson is no longer with us and returned the laptop Laptop was not on the domain and I did not know the user's password so I used a Password Reset utility (I have sucessfully used several times with Win XP.. This company is very reputable and I find it unlikely they would use counterfeit software.

My boss thinks this laptop was "rebuilt" by a company they have used in the past for support.. I have read several threads but I  
did not see anything that matches mine I apologize in advance if the answer was under my nose and I did not see it.. 9 0027 0):
